Please prepare an appropriation ordinance to be submitted to the City Council authorizing the transfer of \$12,000 from the General Fund to Account No. 9-3-333 titled Clinic.

The venereal disease rate is steadily increasing; so the number of patients admitted and/or treated is steadily increasing, and concurrently costs of supplies and medications are increasing. Presently the Clinic is in a position of receiving more publicity through the media and consequently is faced with a dramatic increase in patient load, thus there is a desperate need for funding in order to purchase additional medication.

Sincerely yours,

Account No. 9-3-333 Title CLINIC

Reason for ~~transfer~~ The Venereal Disease rate is steadily increasing; so the
number of patients we admit and/or treat is steadily increasing, and concurrently
costs of supplies and medications is increasing. We are now in a position of
receiving more publicity through the media and consequently are faced with a dramatic
increase in our patient load, and thus a desperate need for funding in order to
purchase medication. We feel that our statistics will bear us out in our contention
that our clinic has shown a seven hundred per cent increase in one year alone.

STATISTICS LISTED ON SEPARATE SHEET.

Department/Head or Board Member

Directions -- Departments requesting transfer of funds from one account to another, or for the appropriation of funds from the unexpended balance of the General Fund must fill out this form in duplicate, and send both the original and one copy to the Controller's Office. It is suggested that a third copy be made and retained by the department originating the request. The Controller's office will retain one copy of the form and send the other to the City Attorney which will be his authorization to prepare the appropriation ordinance. Please send the request for transfer of funds to the Controller as early as possible, and at least one week should be allowed for the City Attorney to prepare the appropriation ordinance and the City Clerk to enroll it for the next Council meeting.
